

## WATT'S NEW AT HUTT ELECTRIC

Welcome to our 164th  
edition of our newsletter!

June 2008

"We're here to help you help your customers"

This newsletter will provide you, our customers, with information on new technologies, products, discontinuations, etc. In the electrical industry. It will also provide you with information on any projected price increases, price decreases, and any 'special buys' at Hutt Electric Supply.

## Announcing New Vendor

Beginning in June, we will be transitioning from Fyrenetics to BRK brand of smoke detectors and fire products. This change was due to Firex buying Kidde. Presumably in the near future the Fyrenetics products as we have stocked will not directly be available thru electrical distribution. BRK has a broader line than Kidde/Fyrenetics has. BRK are the contractors choice because they are designed with professionals in mind. We will also be stocking a Kidde-to-BRK adapter plug so retrofits of BRK products into an existing Fyrenetics interconnected system is not an issue. Contact us for more information or see the BRK Website: [www.brkelectronics.com](http://www.brkelectronics.com)

## June Klein Tool of the Month Insulated Beverage Hauler. #98005

- ✦ Design inspired by the popular Klein Tools cushion-grip!
- ✦ Double wall stainless steel insulation keeps liquids hot or cold.
- ✦ Durable stainless steel resists rust and corrosion.
- ✦ Unique flow control cap opens and closes with a single touch.
- ✦ Integrated drink cup.
- ✦ Supersized cushion grip looks and feels just like a Klein Tool!
- ✦ Insulated lining keeps beverages hot or cold.
- ✦ Makes a great gift for anyone who loves tools or uses tools for a living.
- ✦ 24 oz. (750 ml) capacity.

Only \$28.50 ea.

(remember each purchase qualifies for end of year bonus drawing consisting of each tool-of-the-month throughout the year and the Klein tool bag.)
