Welcome to our 176
th edition of our

June 2009

"We're here to help you help your customers"

This newsletter will provide you, our customers, with information on new technologies, products, discontinuations, etc. in the electrical industry. It will also provide you with information on any projected price increases, price decreases, and any 'special buys' at Hutt Electric Supply.

Special of the Month

BRK Smoke detectors

The 9120 Series smoke alarms have been designed to install faster, perform better and be even smarter than before. These improvements help reduce nuisance alarms and save you time and money.

This month, only \$8.75 ea (quantities of 6 or more)

- » Single button test/silence
- » 9V Battery Backup
- » Latching alarm indicator - remembers which unit initiated an alarm
- » Smart Technology - helps reduce the number of nuisance alarms
- » Perfect Mount - allows for easy alignment of alarm
- » Dust Cover
- » Easy Installation/Maintenance - Preferred features include a large opening in the mounting bracket for easy access to wiring. Keyhole slots in the mounting bracket eliminate the need to remove the electrical box screws for installation. A battery pull tab keeps the battery fresh until the home is occupied. Battery installation and removal can occur while the unit is mounted to the ceiling or wall via the side load battery compartment. Two locking features are provided to prevent battery theft and/or theft of the unit. Connection to AC power is made with a "Quick-Connect" wiring harness. Installation is quick, easy and cost effective.
- » 10-Years Limited Warranty

Congratulations !!

The following individuals were the winners of our door prize giveaways at our counter days on May 12th.

Leviton jacket—Tom Jakel (Jakel Plumbing & Heating)

Introducing The New HPS Academy

What is HPS Academy?

Hammond understands the increasing need for training. They have developed an interactive online training site that allows you to participate on your own time, 24/7. The HPS Academy has many training presentations such as: (transformer) products, company information, and transformer rules and regulations. There are even 3 skill levels: Basic, Intermediate, and Advanced. HPS will also hold promotions for those that regularly participate in both the presentations and quizzes.

How do I sign up?

Go to www.hammondpowersolutions.com and click on the "login" button. Under HPS academy click on the link for new member registration. Fill out the registration page and click 'submit'. Once your account information is emailed to you go to www.hpsacademy.com and login from there. It's that simple!

Don't forget us for all your equipment rental needs!
