

# WATT'S NEW AT HUTT ELECTRIC

*"We're here to help you help your customers"*

Welcome to our 183rd  
edition of our newsletter!

January 2010

This newsletter will provide you, our customers, with information on new technologies, products, discontinuations, etc. in the electrical industry. It will also provide you with information on any projected price increases, price decreases, and any 'special buys' at Hutt Electric Supply.

## January Special

In conjunction with the 1/1/10 Wisconsin adoption of the tamper-resistant receptacle provision of the 2008 NEC, we will be offering the following introductory special on Leviton 15a residential tamper-resistant receptacles:

T5320 series, any colors, **ONLY:**

**\$0.90 ea**

(a minimum of 50 pcs. mix/match required)

### Now Stocking.....

WPLED10	RAB 10 W LED junction box mount wall pack, cool white, bronze housing.
WPLED10S	RAB 10 W LED surface mount wall pack, cool white, bronze housing.

### NEC Code Changes Take Effect January 1, 2010.

There were two provisions of the 2008 NEC code that Wisconsin did not adopt last year. These provisions involve the use of tamper-resistant receptacles, and arc fault breakers. These provisions are scheduled to go into effect and will be enforced locally for permits pulled after 1/1/2010. Hutt Electric will have a full line of receptacles and breakers for your installation needs. Please contact your Hutt sales person if you have any questions, or need pricing.
