

WATT'S NEW AT HUTT ELECTRIC

"We're here to help you help your customers"

Welcome to our 180th
edition of our newsletter!

October 2009

This newsletter will provide you, our customers, with information on new technologies, products, discontinuations, etc. in the electrical industry. It will also provide you with information on any projected price increases, price decreases, and any 'special buys' at Hutt Electric Supply.

Closeout Bargains:

We will be only stocking electronic ballasts that are multi-volt,
So we 're clearing out all leftover single voltage ballasts. We
have the following available (brand would be Sylvania) :

20 4 Lamp 120v T8 ballast

Only \$ 10.00 ea

(Only while supplies last, no backorders)

Price

- ◆ WIEGMANN
11/1/09

What Thomas Edison's Mother might have said to her son:

"Of course I'm proud that you invented the electric light bulb. Now turn it off and get to bed!"

Coming.....

The sales rep. from HAI will be on hand on Tuesday, October 20th from 8:00 AM—2:00 PM. He will be here to informally discuss and present new products. He can also answer and questions you may have regarding home automation, security, whole house audio, or any of HAI's leading edge products. Stop in any time and see how HAI can help you.

What is the definition of a shock absorber?

A: A careless electrician!

Do you know how an electrician tells if he's working with AC or DC power?

A: If it's AC, his teeth chatter when he grabs the conductors. If it's DC, they just clamp together.

RENTALS
