

WATT'S NEW AT HUTT ELECTRIC

Welcome to our 167th
edition of our newsletter!

September 2008

"We're here to help you help your customers"

This newsletter will provide you, our customers, with information on new technologies, products, discontinuations, etc. In the electrical industry. It will also provide you with information on any projected price increases, price decreases, and any 'special buys' at Hutt Electric Supply.

September Klein Tool of the Month 9" Linemans Pliers w/fish tape puller #D2000-9NETP

- Quickly and easily pulls 1/8 " or 1/4 " flat steel fish tape without damaging the tape.
- High-leverage design for 46% greater cutting and gripping power.
- Streamlined design with sure-gripping, cross hatched knurled jaws.
- 2000 Series heavy duty cutting knives cuts ACSR, screws, nails, and most hardened wire.

Only \$29.95 ea.

(remember each purchase qualifies for end of year bonus drawing consisting of each tool-of-the-month throughout the year and the Klein tool bag.)

Introducing.....

3M Performance Plus T/R+ and T/Y+ wire connectors

The T/R+ wire connector offers a compact design to give you more room in tight spaces, where it's needed most. The comfortable wing design also makes it easy to install and feels good to use. It has a quick bite design and an incredibly broad wire range accommodating from two #18 copper wires to five #12 copper wires.

The T/Y+ wire connector is 3M's latest solution to meet the needs of today's electrical contractors. Very small and able to fit into tight spaces, the T/Y+ wire connector has an incredibly broad wire range accommodating from two #22 copper wires to three #12 copper wires. A flexible skirt provides protection from over stripped wires.

See this months special; Ask your salesman for a sample of these great new products!
